## THIRD ONLINE MEETING

»»» NOVEMBER 15TH, 2024

On 15th November, STELLA project partners from Italy, Cyprus, Greece, Malta, and Portugal convened online to review project progress and clarify administrative steps and internal communication channels. The focus was on refining guidelines for training tools and workshops, ensuring alignment with the project's educational goals. Decisions were made to create structured workshops to provide youth workers with practical resources. Partners also reviewed plans for stakeholder interviews and best practices, emphasizing inclusivity and the creation of standardized reporting formats. Dissemination efforts and deadlines were reiterated, with a call to address delays and improve coordination. Partners also discussed their expectations for the next TPM in December in Athens.

## "SUCCESSFUL IMPLEMENTATION OF THE SECOND TPM"

On December 17th and 18th 2024, EKO hosted the second transnational partners' meeting in Athens, bringing together all partners to discuss key aspects of the initiative. The meeting covered a wide range of topics, including the guidelines for project deliverables and their respective deadlines. Discussions also focused on the upcoming training course in Malta, scheduled for March, as well as plans for the next TPM, which will be hosted by AZO in Cyprus. Partners shared valuable suggestions and explored strategies to enhance the project's impact and effectiveness, fostering a collaborative and productive exchange of ideas.
